Applications for funding must be submitted in writing. They can be obtained from the Social Town Hall (Soziale Rathaus) or from: www.ingolstadt.de/jobcenter

When applying for benefits, the provider must certify participation, such as through an association stamp or membership certificate or proof of equipment purchase or hire, as well as travel if applicable.

The application needs to be made in time. There will be no reimbursement for any amounts previously paid. The benefits must be reapplied for with each new application for social benefits.

What other educational and participation benefits are there?

You can find further educational and participation benefits can be found at www.ingolstadt.de/jobcenter or let us give you advice in person.

A child is interested in sports and would like to join a club but the parents cannot afford it because of their low income. This is where the education and participation package comes in. Financial allowances are available so that children can play sports with their peers and enjoy a sense of community.

Sports clubs can help children and young people, who are entitled, to receive these benefits and take advantage of offers. This flyer gives an overview of the eligibility conditions and different allowances.

### Funding of sports by the education and participation package

2. **Equipment**
The purchase or rental of sports equipment can be funded. A one-time contribution of 30 euros has to be made by the applicant. The equipment must be directly related to the sport played by the child. It must not be related to everyday life (e.g. sports shoes for school).

3. **Travel costs**
The maximum available 15 euros a month can also be used for trips to tournaments, training camps and competitions.
